

New Amsterdam Partners LLC is a New York City based institutional investment management firm with approximately \$2.7 Billion in assets under management. We manage U.S. domestic equities for many large public funds, foundations, endowments, sub-advisory programs and private clients. Our office is conveniently located in Mid-town Manhattan and is within walking distance of all major MTA systems. For more information, please visit our website www.napllc.com.

Our summer internship program is designed to give undergraduates the opportunity to build work experience and make a career connection with product marketing and the investment research function of an asset management firm. Interns will participate in a series of activities that will give insight into what it takes to manage and market investment products. The intern(s) will report to the Chief Investment Officer, and will be expected to complete a stock research report by the end of the summer, under the supervision of a Senior Equity Analyst. The intern(s) will also assist the Marketing Department with RFPs, firm updates and portfolio performance presentations.

Job Qualifications: To qualify for an internship, students must meet the following minimum requirements: Eligible to work in the United States. Currently enrolled in an accredited college or university. Possess a minimum GPA of 3.0. Demonstrated interest in a financial career. Preference will be given to students entering their senior year. All students must have advanced MS Office skills as well as excellent written and verbal communication skills. Our ideal intern will be self-motivated, responsible, a team player, energetic, and creative. Interns will be selected based on previous experience, education and a demonstrated interest in the financial markets. To apply, please email your resume and cover letter to: iinterns2009@napllc.com. No telephone calls or faxes will be accepted. We will be accepting applications through February 28, 2009. Qualified candidates will be contacted and a telephone interview will be scheduled shortly thereafter.
